RMO INSTITUTE OF TECHNOLOGY.

and is Shouta's friend. He's wary active and chearful.

To help Shauta to caver the expenses, she waits tables at a Ryakan

STORY

When he was only 10, Shouts fixed the terrible experience of losing his father in a car accident, and that changed his life forever. Even though his mother has a job and does everything she can to provide for him, money is still a problem, that's why Shouta has to work at his sacrie's impressries and as a traffic award. He likes to side his hike wroning his head phones to ovoid hearing the continuing, become

It allow up bod memories. Shouto lives alone in the second floor of on obandoned worshouse in his under's irreworks, but everything will change when the first floor of that warehouse is accorded by a group of students. looking to work on building a solar car, and ask Shouts to give them a hood
